

5 Layer Beef Burrito

Super-size your meal with this five layer burrito bursting with flavors and fillings from the seams.

Ingredients

1 package Azteca Burrito Size Soft and Tender Tortillas	1 can (16 oz) refried beans
1 can (10 oz) nacho cheese sauce	1 packet Taco Seasoning Mix
1 pound lean ground beef	1 1/2 cups shredded cheddar cheese
1 cup light sour cream	1 cup pico de gallo

Directions

Prepare meat according to taco seasoning packet instructions. Once prepared, set aside. Heat the nacho cheese. Spread 1/4 of the nacho cheese sauce (or as much as you desire) onto the tortilla, leaving space around the edges. Heat the refried beans. Spread 1/4 of the beans on top of the nacho cheese sauce (or as desired) onto the tortilla, leaving space around the edges.

Spoon 1/4 of the prepared beef down the middle of the tortilla on top of the nacho cheese and beans. Sprinkle with 1/4 the amount of cheese (depending on your love of cheese you might end up using more) on top of the beef. Add pico de gallo, if desired. Add a couple dollops of sour cream (again depending on preference). Roll up sides, serve warm and enjoy!
